

# Riding

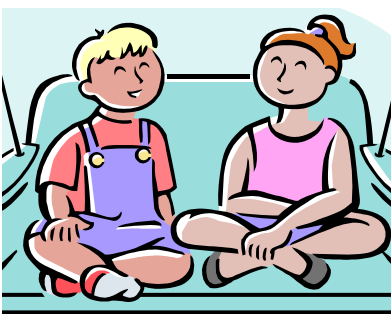

# The Bus

Going to school is fun. To get to school, you are going to ride a bus.

There will be other kids on the bus too, so it might be loud.

You have to stay in your seat and may need to wear a seat belt. No yelling and no standing.

If you need help you can ask the bus driver.

When you get to school you will get off the bus and at the end of the day you will ride the bus home.

# THE END
